SECTION 1 – GENERAL PROVISIONS

1.1 Parties to Understanding

This Memorandum of Understanding is made and entered into by and between San Lorenzo Valley Water District (herein after referred to as “District”) which is represented by its Board-appointed Employee Relations Officer and other designee(s) and the American Federation of State, County and Municipal Employees, Local 101 (hereinafter referred to as “Union”) which is represented by their duly designated representative(s) and other designee(s).

District and the Union have met and conferred in good faith within the meaning of the Meyers-Milias-Brown Act (MMBA), California Government Code Section 3500 et. seq. regarding wages, hours and other terms and conditions of employment for those employees in the classifications of positions set forth in Appendix “A” attached hereto and made a part thereof. District and the Union have reached an understanding regarding these issues and have jointly prepared this Memorandum of Understanding (hereinafter referred to as “MOU”).

1.2 Term of MOU

This MOU shall be effective from January 20, 2017, and shall remain in full force and effect until and including the 31st day of December 31, 2019. This MOU shall be renewed automatically from year to year thereafter, unless either party gives written notice of a desire to modify, amend or terminate it at least 90 calendar days, but not more than 120 calendar days, before December 31, 2019 or any December 31st thereafter, if it is automatically renewed. If such notice is given, the MOU shall remain in full force and effect during the entire period of negotiations. The parties shall exhaust all administrative remedies available to them pursuant to the most recently adopted San Lorenzo Valley Water District Rules and Regulations for the Administration of Employer-Employee Relations, Section 4, Impasse, prior to termination of this MOU.

1.3 Purpose

The parties hereby agree that the purpose of this MOU is to promote and provide harmonious relations, cooperation and understanding between District and the Union, and to provide an orderly and equitable means of resolving differences which may arise under this MOU.

1.4 Short Title

This document shall be known and may be cited as the "Classified Employees MOU".

1.5 Plural

Wherever the singular or plural is used in this MOU it should be construed to include the other.

1.6 Supervisor

Whenever the word "Supervisor" is used in this MOU, it shall be construed to mean the Department Head, or in the Department Head's absence, the Department Head's assigned representative.

1.7 Severability

If any provision, sentence, clause or phrase of this policy or the application of said provision, sentence, clause or phrase to any person or circumstance is for any reason held to be invalid or not in accordance with applicable provisions of Federal, State or local laws or regulation, the remainder of this policy, or the application thereof to persons or circumstances other than those as to which it is held invalid, shall not be affected thereby.

Parties agree that if any of the provisions are or become in conflict with applicable law or regulation, the law or regulation will control.

1.8 Recognition

District recognizes the Union, as provided in District's Rules and Regulations for the Administration of Employer-Employee Relations, as the Exclusive Recognized Employee Union for the purpose of establishing wages, hours and other terms and conditions of employment for those employees in the classifications of positions set forth in Appendix "A", attached hereto and made a part thereof, as well as such classifications as may be added to this representation union by District during the term of this MOU.

1.9 Agency Shop

The Union as the exclusive representative of the employees covered by this MOU agrees that it has a duty to provide fair and non-discriminatory representation to all employees in all classifications of positions set forth in Appendix "A" attached hereto and incorporated herein, regardless of whether they are members of the Union.

a. All employees and new hires employed in all classifications of positions set forth in Appendix "A" on or after the effective date of this MOU shall, as a condition of employment, either:

1. Become and remain a member of the Union; or
2. Pay to the Union, an agency shop service fee in an amount which does not exceed the amount which may be lawfully collected under applicable constitutional, statutory, and case law, which under no circumstances shall exceed agency shop service fee which meets the above criteria; or

3. Do both of the following:
 - i. Execute a written declaration that the employee is a member of a bona fide religion, body, or sect which has historically held a conscientious objection to joining or financially supporting any public employee organization as a condition of employment.

Failure by an employee to invoke the Union's Hudson Procedure within thirty calendar days after receipt of the actual notice of the Hudson Procedure shall be a waiver by the employee of their right to contest the amount of the agency shop service fee.

The provisions of Section 1.9(a) shall not apply during periods that an employee is separated from the representation Union but shall be reinstated upon the employee's return to the representation Union. The term separation includes transfer out of the Union, layoff, and unpaid leaves of absences with a duration of more than thirty calendar days.

Then Union shall maintain adequate itemized record of its expenditures and financial transactions and shall make available annually to District and to all employees covered by this MOU, within sixty calendar days after the end of each fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to accuracy by its president and treasurer, or corresponding principal officer, or a certified public accountant. For the purpose of distribution, District shall provide the Union with the names and addresses of all affected employees.

The Union shall indemnify, defend, and hold District and its officers, agents, representatives and employees harmless from and against any and all liabilities arising out of or relating to any claims, demands, suits, actions, orders, or judgements, or other forms of liability that arise out of or by reasons of this agency shop Section, or action taken or not taken by District under this Section. This includes, but is not limited to, District's attorney's fees and costs.

Such opportunity will not be given if the employee is discharged by disciplinary action pursuant to this MOU.

3.6 Driving Record

District may obtain driver's license information records on each employee in accordance with the California Vehicle Code. Should an employee whose job requires driving a District vehicle be determined to be uninsurable by District's insurance broker, or be without a valid California driver's license, that shall be grounds for dismissal in the absence of evidence of extenuating circumstances.

All original and promotional appointments in the competitive service entering at the first step of a salary range shall be eligible for consideration for advancement to the second step upon completion of six months of actual service and the achievement of satisfactory standards of performance based upon a written performance evaluation report. The anniversary date for future merit increase consideration shall be adjusted to the effective date of this merit increase. Upon receiving regular employment status every employee in the competitive service shall be eligible for consideration for advancement to the next higher step, if any, whenever the employee has been compensated at a step for one year of actual service and the achievement of satisfactory standards of performance based upon a written performance evaluation report.

Allowances provided for shorts and jeans shall be included in the employee's taxable income, but are not reportable to CalPERS. Allowances provided for the purchase of safety boots are non-taxable and not reportable to CalPERS.

The aforementioned uniform allowance for new hires shall be prorated on a month-by-month basis. District issued uniforms shall be considered District property, and the District Manager will determine if District uniforms are presentable. Any employee observed in unpresentable uniform clothing shall be required to immediately change into acceptable attire on the employee's own time in the absence of evidence of extenuating circumstances.

8.6 Food Cost Reimbursement

All employees covered by this MOU shall be entitled to a reimbursement for food costs not to exceed \$15.00 in the following circumstances: 1) after working twelve or more hours on a regular work day; and 2) after working in excess of four hours on a day that is not a regularly scheduled work day. Receipts shall be submitted along with an expense report to District Manager for approval prior to reimbursement.

8.7 Flexible Spending Account

Subject to all applicable Internal Revenue Service guidelines and any and all other federal, state and/or local laws or regulations regarding the administration of such flexible spending plans, District will establish and maintain a flexible spending plan which allows employees covered by this MOU the option to set aside a pretax salary reduction for applicable eligible benefits. It is understood that if a third party administration is retained to provide said service, any service or administration fees will be mutually agreed upon by both parties. District retains the right to select and change the third party administrator as necessary.

SECTION 9 – DISCIPLINARY ACTION

9.1 Disciplinary Action

District may take disciplinary action for just cause against any employee who has completed their probationary period by notifying the employee of the action in writing. Employees who have not completed their probationary period pursuant to Section 3.4, Probationary Period, of this MOU, may be terminated at any time for any cause, without prior notice and without right of grievance, hearing or appeal. Notification of intended disciplinary action must be in writing and served on the employee in person or by registered mail at least 72 hours prior to effective date of the intended disciplinary action, except in an emergency situation, unless otherwise mutually agreed to by the parties. The notice must be included in the employee's personnel file, and shall include the following:

- a. Nature of Action. A statement of the nature of the disciplinary action. Disciplinary action is defined as demotion, discharge, reduction in pay, letters of reprimand and/or suspension.
- b. Effective Date. The effective date of action, which shall be at least 72 hours after notice of intended discipline, is served on the employee, except in an emergency situation.
- c. Basis for Action. A statement in ordinary and concise language of the act or the omissions upon which the disciplinary action is based.
- d. Representation. A statement that any employee may be represented by any representative of the employee's choosing relative to disciplinary action. The employee shall provide written notice relative to designated representative.
- e. Entitlement to Meet with District Manager. A statement that the employee has the right to respond orally or in writing to the charges prior to said disciplinary action being taken. The employee shall advise District Manager of the request for a meeting within 72 hours after receiving the notice. If, at the employee's option, there is no meeting, District Manager shall advise the employee in writing within five calendar days after the 72 hour period expires, of his/her decision regarding the intended disciplinary action.

SECTION 10 – GRIEVANCE PROCEDURE

10.1 Purpose

The purpose of this grievance procedure is to provide the employee with a prompt and effective procedure that will facilitate a successful resolution of problems that may arise during the course of employment.

10.2 Definition

A grievance is defined as a dispute or an allegation by an employee or a group of employees with respect to a single common issue against District alleging that an expressed written provision of this MOU has been violated, misinterpreted or misapplied.

10.3 Representation

Grievant(s) may be represented by any representative of the grievant's(s') choosing in presenting a grievance. The employee(s) shall provide their immediate Supervisor or District Manager with advanced written notice relative to designated representation pursuant to grievance procedures.

10.4 Time Limitations

No grievance shall be entertained or processed unless said grievance is filed in writing pursuant to Section 10.5, Step One- Informal Procedure, of this MOU, within forty-five calendar days after the date of the occurrence or forty-five calendar days after the concerned employee(s) became aware of, or should have been reasonably expected to have become aware of, the events giving rise to or surrounding the alleged grievance.

If a grievance is not presented within the time limits set forth in this Section, it shall be rejected and not processed further. If a grievance is not appealed to the next step of the grievance procedure within the specified time limit or any mutually agreeable extension thereof, said grievance shall be considered settled on the basis of the last answer.

10.5 Step One – Informal Procedure

Before proceeding to the formal grievance procedures any employees covered by this MOU shall act promptly through an informal meeting with their immediate Supervisor to discuss and attempt to resolve the matter before it becomes the basis for a formal written grievance reduced to writing. Any resolution reached at this informal procedure must be in accordance with the provisions of this MOU. The time limitations specified in Section 10.4, Time Limitations, of this MOU shall include all time expended during this informal procedure.

10.6 Step Two

Any employee(s) covered by this MOU who has a grievance shall submit it immediately to District Manager. The grievance shall be in writing, signed by the aggrieved employee(s), and shall contain the following information:

- a. The name of the grievant(s).
- b. Specific nature of the grievance.
- c. The date, time and place of occurrence.

- d. Specific provision(s) of this MOU alleged to have been violated, misinterpreted or misapplied.
- e. Steps, if any, taken to secure informal resolution.
- f. The corrective action desired.
- g. The name of any person or representative chosen by the employee to enter grievance.

District Manager shall make a decision regarding the grievance and shall provide the employee(s) and the Union with a written notice of such decision within fourteen calendar days after presentation of the grievance.

10.7 Step Three

If the grievance is not settled and the employee(s) wishes to appeal the grievance to the Board of Directors, it shall be referred in writing to the Board within fourteen calendar days of District Manager's written decision. Appeals to the Board shall be in writing, signed by the aggrieved employee(s) and explain the matter appealed, setting forth a statement of desired corrective action. The Board of Directors shall make a decision and shall provide the employee(s) and the Union with a written notice of such decision within twenty-one calendar days.

10.8 Arbitration

If the grievance is not settled in accordance with the foregoing procedures, the employee(s) may appeal the matter within fourteen calendar days to the California State Conciliation Service or other service mutually agreed to by both parties. Appeals shall be filed in writing with the California State Conciliation Service and a written copy thereof served at the same time and manner on District Manager. Upon receipt of a written request for arbitration, District and Union shall select a mutually agreeable impartial arbitrator. Within ten calendar days after receipt of the written request for arbitration, either party may request the State Mediation and Conciliation Service to submit a list of nine representative arbitrators. Each party may alternatively scratch names from the list, the first scratch being elected by lot, and the person remaining after each party has scratched four names shall be the arbitrator. It is the intent of the parties that the selection process shall be completed within thirty calendar days of the receipt of the written request for arbitration.

10.9 Limitations on Authority of Arbitrator

The purpose of this Section is to allow the arbitrator to act in a judicial, not legislative, capacity to interpret the meanings of this MOU. The arbitrator shall not render findings different from the MOU, ordinances and/or resolutions. The arbitrator shall have no right to amend, modify, nullify, ignore, add to and/or subtract from the provisions of this MOU, District resolutions or District ordinances. The arbitrator shall consider and decide only the question of fact as to whether there has been a violation, misinterpretation and/or misapplication of the specific provisions of this MOU. The arbitrator shall only consider and make a decision with respect to the specific issue(s) submitted, and shall have no authority to make a decision on any other issue(s) which has not been submitted. The arbitrator shall be without power to make any decision or award which is contrary to or inconsistent with in any way, any applicable laws or rules and regulations of administrative

bodies that have the force and effect of law. The arbitrator shall submit in writing a decision within thirty calendar days following close of the hearing, or the submission of briefs by the parties, whichever is later, unless the parties mutually agree to a written extension thereof. The decision shall be based solely upon the arbitrator's interpretation of the meaning or application of the express terms of the MOU to the facts of the grievance. Any decision or award of the arbitrator rendered within the limitations of this Section shall be final and binding upon District and employee(s) covered by this MOU.

10.10 Payment for Arbitrator

The fee and expense of the arbitrator and the cost of a written transcript for the arbitrator shall be divided equally between District and the employee(s); provided, however, that each party shall be responsible for compensating its own representatives and witnesses, and purchasing its own copy of the written transcript. The employee(s) shall make their one-half payment within fourteen calendar days of District's payment. If the arbitrator renders findings for the employee(s), District shall pay the full amount of the arbitration fees.

SECTION 11 – SEPARATION OF SERVICE

11.1 Termination by Employer

District Manager shall have full power and authority to discharge for just cause of any employee.

11.2 Termination by Employee, Adequate Notice

Any employee covered by this MOU wishing to leave the service of District in good standing shall file a written resignation with District Manager at least fourteen calendar days before leaving the service of District. Such resignation shall state the effective date and reason for leaving.

SECTION 12 – STANDBY DUTY ASSIGNMENT

12.1 Definition

Standby duty is defined as assignment to an "on-call" status for a specified period of time. The purpose of standby duty is to provide twenty-four hours a day reliability for customer service, monitoring and operation of the water and wastewater systems, emergency call outside regularly scheduled working hours and other important duties as determined by District.

12.2 Standby Duty Assignment

District will require field personnel to perform standby duty assignment for their respective department; Water Quality or Distribution. The Operations Manager will be responsible for assigning standby duty for the respective departments. The Operations Manager will determine which department employees are qualified for standby duty assignment based upon skills, qualifications and ability to perform the work. Standby duty shall be assigned on a weekly rotational basis from a list established by the Operations Manager consisting of, but not limited to, qualified volunteers. A voluntary rotational process will be the preferred method of standby duty assignment selection; however, District may assign

mandatory standby duty assignment if there are insufficient qualified volunteers as determined by the Operations Manager. Standby duty shall be rotated as equally as possible among all qualified department employees who volunteer for standby duty assignment. Qualified employees from another department may perform standby duties for said department upon approval of the Operations Manager. Standby duty assignment between departments shall not overlap and shall not be assigned back-to-back.

12.3 Standby Duty Period

Standby duty shall normally be assigned for a period of seven consecutive days from 5:00 p.m. Wednesday to 5:00 p.m. on the following Wednesday. Standby duty shall not overlap the employee's regularly assigned work schedule. Standby duty may be assigned for periods of time other than the normal seven day period as determined by District, but in no event shall standby duty be assigned for a period of time less than twenty-four hours, unless otherwise approved by the Supervisor.

12.4 Standby Duty Requirements

Standby duty requires that employees so assigned shall confirm to the following conditions:

- a. Report to work fit for duty, at any time, at District Operations Building, 13057 Highway 9, Boulder Creek, within sixty minutes of notification.
- b. Refrain from activities which might prohibit the employee's abilities to perform assigned duties.
- c. Continuously carry District provided phone and respond to District by telephone, radio or other telecommuting device.

In the absence of extenuating circumstances, any employee on standby duty assignment who fails to comply with these conditions shall not receive standby compensation for the assigned standby assignment period and may be subject to disciplinary actions.

12.5 Change in Schedule

Employees assigned standby duty shall be permitted to obtain replacement coverage for their required standby duty assignment from among other qualified employees. Any change made to the assigned standby duty schedule must be approved in advance by the Department Head or in the absence of the Department Head, District Manager.

12.6 Sickness or Emergency

In the event of sickness or unexpected emergency causing an employee to be unavailable for a scheduled standby duty assignment, when no other personnel is available to take the unavailable employee's standby duty period, the next regularly scheduled standby duty employee shall take the standby duty assignment until the scheduled standby duty employee returns to work. In the event, the regularly scheduled standby duty employee who was unavailable for duty shall take the next regularly scheduled standby duty period of the employee who assumed their standby duty assignment or as assigned by the Department Head.

12.7 Standby Duty Compensation

Each department standby duty assignment (one for Water Quality and one for Distribution) shall be compensated at the rate of fourteen hours of base hourly rate of pay for the employee's regular job for a normal seven-day standby duty assignment period. Standby duty assignment for periods of time other than the normal seven day period shall be compensated on a prorated basis at the rate of one and a half hours of base hourly rate of pay for the employee's regular job for each twenty-four hours of standby duty assignment.

It is understood that standby duty compensation pursuant to this Section shall include and represent complete compensation for all telecommuting activities performed while on standby duty assignment. Telecommuting shall be defined as a response by computer, telephone or other device from the employee's residence or other off duty location which does not require a physical return to duty. Solely for the purpose of this Section, return to duty is defined as an event whereby an employee is required to physically return to a work site location (e.g. leave home or other off duty work location) in order to perform required duties. When an employee on standby duty assignment is required to physically return to duty, said employee shall be compensated from the time the employee leaves the residence or other off duty location, until the time the employee returns to their residence upon completion of the job duties; or, should the employee not return to their residence, upon completion of the job duties, whichever occurs first.

When an employee on standby duty assignment is required to physically return to work said employee shall be compensated with a minimum of two hours pay at the rate of one and one-half times the employee's base hourly rate of pay or one and one-half times the actual hours worked, whichever is greater. There shall not be any duplication or pyramiding of payment under this Section. An employee shall not be credited with more than one 2-hour minimum guarantee for work performed during any two-hour period. See Section 4.20, Call Back Pay, of this MOU.

SECTION 13 – BENEFITS FOR REGULAR PART-TIME EMPLOYEES

13.1 Regular Part-Time Employees

Part-time regular employment status employees who are scheduled to work twenty hours or more per week will be eligible for and shall receive the various benefits provided for in this MOU as follows:

a. Leaves and Holidays

PTO and holiday benefits shall be determined on a pro-rata time basis taking into account the employee's number of regularly scheduled hours of work per week.

b. Insurance

Regular part-time employees shall receive no insurance benefits.

13.2 Advancement of Pay Levels Regular Part-Time Employees

Regular part-time employees shall be eligible for consideration for advancement in pay levels in accordance with Section 4.3, Advancement of Pay Levels, of this MOU, based upon merit and a pro-rata time basis taking into account the employee's number of regularly scheduled hours of work per week.

SECTION 14 – TIME TABLE FOR SUBMISSION OF REQUESTS

14.1 Priority of Negotiations

The Union has the right to expect the Employee Relations Officer to give high priority to these negotiations to ensure that employees are continuously covered by a MOU. If by mutual consent negotiations are delayed, District and all employees covered by this MOU will continue to adhere to the last enacted MOU.

SECTION 15 – MISCELLANEOUS

15.1 Outside Employment

In the event an employee covered by this MOU is self-employed or accepts employment other than District which affects their duties under the terms of this MOU, said employee shall be considered to have resigned from the service of District in the absence of evidence of extenuating circumstance. A leave of absence will not be granted to enable an employee to accept employment elsewhere or for self-employment.

15.2 CalPERS Pre-Tax Payroll Deduction Plan

Pursuant to all applicable CalPERS rules and regulations, District agrees to initiate a request to participate in the CalPERS Pre-Tax Payroll Deduction Plan for service credit purchase(s). It is expressly understood by both parties that authorization and approval of said plan is the jurisdiction of CalPERS.

15.3 Subcontracting

It is the general policy of District to continue to utilize its employees to perform work they are qualified to perform. However, District reserves the right to contract out any work it deems necessary in the interests of efficiency, economy, and improved work product or emergency. Except where an emergency situation exists, before District changes its policy involving the overall subcontracting of work in a general area, where such policy change amounts to a significant deviation from past practice which shall result in the loss of employment for employees covered by this MOU, District will notify the Union and offer Union an opportunity to discuss desirability of subcontracting such work.

15.4 Reopening of MOU

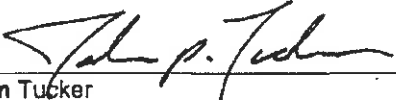

During the term of this MOU either party may notify the other in writing of its desire to reopen this MOU, provided such reopening shall be solely limited to the consideration of a CalPERS contract amendment. It is understood and agreed that the parties shall discuss the shared costs associated with the implementation of any CalPERS contract amendment(s) for the modification of retirement contract coverage.

15.5 Entire MOU

This MOU which establishes and authorizes wages, hours, and other terms and conditions of employment for those employees in the classification of positions set forth in Appendix "A" attached hereto and incorporated within, completely supersedes and cancels all prior practices and MOU's whether written or oral, howsoever the same may be expressed, which are contrary to or in conflict with this MOU, including resolutions and ordinances of the Board of Directors, unless expressly stated to the contrary herein and this MOU is the complete and entire MOU between the parties and concludes collective bargaining for its term. The parties hereby acknowledge that during negotiation which resulted in this MOU, each party had the unlimited right and opportunity to make demands and proposals with respect to any subject not removed by law and that the understanding and MOU arrived at by the parties after exercise of that right and opportunity are set forth in this MOU. Therefore, both parties for the duration of this MOU, each voluntarily and unqualifiedly waive the right to bargain collectively with respect to any subject or matter referred to or covered in this MOU, including the impact of District's exercise of its rights as set forth herein on wages, hours, terms and conditions of employment.
