PUBLIC COMMITTEE MEMBERS

Engineering Committee

Lompico Assessment District Oversight Committee

NOTICE IS HEREBY GIVEN THAT THE SAN LORENZO VALLEY WATER DISTRICT is seeking applications for interested members of the community to participate as a Public Member of the Engineering and Lompico Assessment District Oversight (LADOC) Committees. The Committees are advisory only.

Engineering is responsible for the review of matters of design, construction, replace & repair of the District facilities and including: Capital Improvement Program, Master Plans & other engineering, operational and planning related matters. The committee meets on the 1st Thursday of every month at 2:00 p.m. This committee is seeking one public member.

LADOC is responsible for the oversight of AD 2016-1 for the benefit of the Lompico community. This committee meets the 4th Tuesday of each quarter, with occasional additional meetings. This committee is seeking 2 public members.

The term of a Public Member of a committee is one year beginning in December of each year. Applicants for the currently open positions will serve the remainder of the term ending in December 2019. You are welcome to reapply for the position at the end of the term.

Applicants for the Engineering committee must be residents of the San Lorenzo Valley Water District. Applicants for the LADOC must live within the boundary of AD 2016-1.

Any person interested in filling a position on the committees as a Public Member must complete an application. Applications can be found on the website www.slvwd.com or in person in the front office and can be returned to the District Secretary, 13060 Highway 9, Boulder Creek, CA 95006 or to hhossack@slvwd.com
